

Natural Products and Biotechnology

***If the number of authors is more than 6, please fill in a new copyright form.**

Manuscript Name:

.....
.....
.....

As the corresponding author, in the name of all the other authors, I accept and undertake that:

- 1) The presented article is the original study of the author(s)
- 2) Each of the authors participated in the study individually and they took all the responsibility to carry out
- 3) The article is not currently being considered for publication by any other journal and will not be submitted for such review while under review by this journal.
- 4) Each of the authors believe the manuscript represents valid work. Each of the authors have all reviewed the final version of the manuscript and approve it for publication.
- 5) Each of the authors attest that we will produce the data upon which the manuscript is based for examination by the editors or assignees if requested.

Fill in the details of each author in the table. You can lengthen or shorten the table by the number of authors.

Details of Authors (Required Field)
